THE BIRD ALWAYS DUMPS ON THE BIGGEST PILE!!!!

That is what happened in Vincennes about a month ago. As you can see from the photo below Dale and Leah found the mother load on a recent vacation. In total they came home with 72 pieces mostly minatures including 2 blue and whites, a dog jug, 2 horse heads, 4 elephants, and 3 cat jugs. This is the one we all dream about!!!!!!!!!!!!!!!!!!!!

Our deepest sympathy goes out to Bill and Nancy Swanson who lost a wife and mother on the 17th of May. Kitty was a very good friend to most of us and we will miss her immensely. She and Bill would have been married 42 years on the 24th of May.

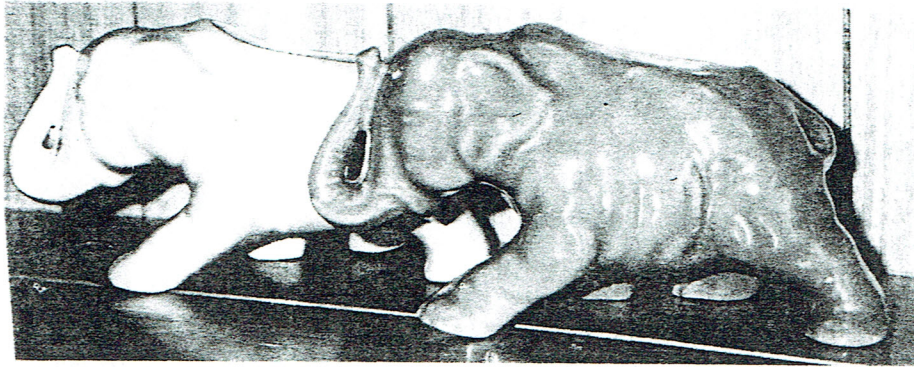

Bill and Kitty have served on the Board of Directors for the past three years, with their term ending at the convention in June. We were unable to thank Kitty for the three years of service she has given our club. We all hope that Bill will attend the convention so we can thank him for all the hard work and dedication that they have given of themselves for us.

A year ago we went to the Burlington flea market and we ran into Kitty at 5:00 a.m. This goes to show how dedicated and such a ball of fire she was when it came to collecting Uhl.

They also have had some great finds in their Uhl hunting trips. Once they went into a shop and bought about 25 miniature jugs from a shop owner. After talking to him he told them that when he was a small boy a salesman would come and stay at his parents sleeping room. Yes you guessed it right he was an Uhl salesman, and as a little boy he liked those little jugs. So each time he slept there he would leave the little boy a jug. Such a nice find!!!

About a month ago I was in Cincinnati for a meeting, and I called ahead and Bill said it would be all right to stop in and see them and their collection. While in so much pain Kitty was the most gracious host and enjoyed talking about their collection and some of the stories behind them. I was glad to be able to spend some time with them, because I will remember Kitty for ever as a good and dear friend.

Some very good pieces will be in the auction on Friday night again this year! A 6 gal blue polar bear water cooler, a 7 gal jar, 2 blue elephant planters, (photo below) one is a light blue and the other is a dark blue and is stamped Uhl on the foot. Also a McHenry churn, and yellow ring jug that says MERRY XMAS. I have heard of other good pieces but nothing for sure.

Roger and Linda Singer have some very nice pieces for sale right now. If you are interested please call them after 6:00 p.m. at 812-853-2509. These are all in perfect shape and the stamps are very good.

Yes as you can see in the picture at the right Uhl can be found in the Sunshine state of Florida. Gary and Diana Abel took a vacation there and found these nice pieces. A 4 gal jar, #175 jug, untied baby shoe, blue bulbous grape pitcher, and a flagon mug. What was really the nice part is the baby shoe was only a dollar! Some folks have all the luck!!!!!!

A recent flea market in Evansville a dealer had four christ-
 mas jugs for sale. They all went home with a new collector from
 that area. 1940 - 1941 was \$210 each, 1937 was \$260, and the
 Prunella was \$250.

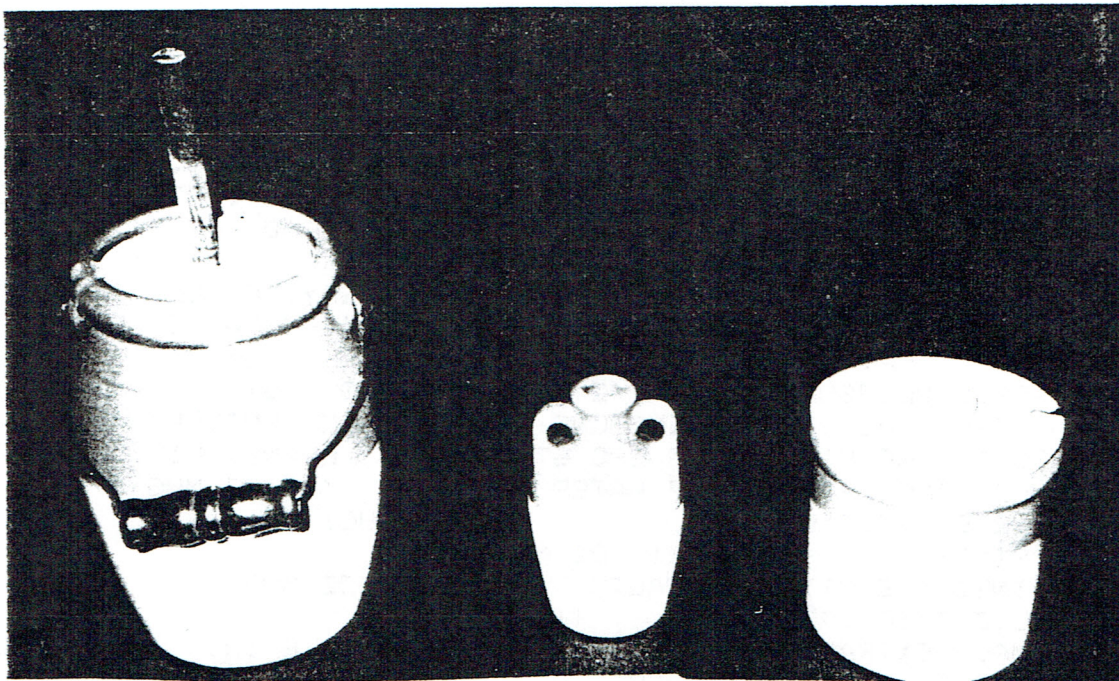

Not always this easy to find four good pieces together at
 one time. Some people would have to hunt for a long time to find
 these jugs to add to their collections.

An April 9th auction in the Shoals In. area had these pieces
 for sale.

 condition.

The picture on the previous page is from the Trent Bullock collection and all three pieces are blue and white. We all would like to be fortunate to own a blue and white miniature churn. This is one item that is tough to find, and if you did find it would you be able to afford it.

In the pictures below of Trent's collection you can see that he likes advertising mugs. Following the photos will be a list of all the advertisement that is in his collection. If anyone has any different advertising mugs and are willing to part with them I'm sure if you gave Trent a call he would buy them from you.

In New York they found a blue miniature mug for \$3.50, and in New Hampshire a football with a Meier label for \$10.
