## Collectors Society

Since 1849

FEBRUARY / MARCH 1995

HELLO,

I would like to welcome all members new and old to another wonderful year of fun and friendship. We can look at each turn of events as a learning experience. Meeting new people and learning from each other gives each of us a new challenge in this great club. The Uhl collectors are a growing group, with this newsletter I am reaching over 650 members. Anyone that has information or a story to share, it would greatly be appreciated by many, can drop me a line and I would be happy to pass it along.

The 1995 Uhl Collectors Society convention will be held in Jasper, Indiana on June 23rd and 24th at the Holiday Inn. Please call and make your reservations now the rooms are being booked very quickly with only a few left. Call the Jasper Holiday Inn direct and say that you are a Uhl member to reserve your room. The phone number is 1-800-872-3176 or 1-812-482-5555. DO NOT call the nationwide 1-800-465-4329 Holiday Inn number because they don't know about our special booking for club members.

Remember to fill out your membership renewals, commemorative order, convention reservations, show and sale reservations, and membership roster form that was in the last newsletter. This is very important and must be returned to Tom Uebelhor by the March 31st deadline. As in the past no exceptions will be made! So much time is needed to make all orders and final arrangements that this is very important to us.

ALL DEADLINES  
MARCH 31, 1995

On this page the picture is of all of the commemoratives that have been produced for the Uhl Collectors Society. This has been since 1987 when the first commemorative was sold to members in good standings. The first piece was a blue 3oz stein and sold for \$15 and now we are having a blue and white miniature churn with a lid and dasher and the issue price is \$30.

YEAR	DESCRIPTION	QUANTITY PRODUCED
1987	BLUE 3 oz STEIN	100

The picture on this page is of a 2 gallon brown and white jar. On the front side is a blue acorn with the number two inside of it. I am sure it is not Uhl, but if anyone knows who made this jar I would like to pass along the information for those who have seen this piece and had that question of its manufacturer.

I would like to take this opportunity to welcome the very lengthy list of new members that have just recently joined the club.

## LOOKING BACK

The following is the first newsletter published by Sue Uhl who is now Sue Maynard. We thought it would be nice to share these past newsletters with you since we are in our tenth year as a club. In each of the next five newsletters we will take you through the first year of the collectors society.

### UHL COLLECTORS SOCIETY NEWSLETTER

AUGUST 1985

MAY I INTRODUCE.....GREG AND BRENDA SHINE FROM CONRAD, IOWA...

We began collecting UHL pottery after tracing our family history back to Charles Uhl from Wittensburg, Germany, whose family settled in Ohio. We're not sure there's any connection, but that makes it interesting. Uhl pottery is very uncommon in Iowa, almost rare! But by letting friends know what we're collecting, we've found a number of pieces through them. Recently, we received a 5 gallon Uhl jug for babysitting.

My favorite pieces are serving dishes that we can use when entertaining, like mugs, bowls, pitchers. My husband's favorites are 3 miniature jugs with "Greetings form Uhl Pottery", "Merry Christmas 1937", and "Merry Christmas 1940".

Our first show is scheduled for Saturday, October 12 at the Dutchman (Best Western) Inn at Huntingburg. If you need to make plans for overnight as we will, the enclosed brochure will give you the phone number. Dutchman Inn gives ten percent discounts to senior citizens, travel club cards, ect. They honor the Quest card.

Breakfast is planned at 9:00 sharp with a very special guest to Uhl collectors; Mr. J.W. Disinger, a grandson of Louis Uhl. Mr. Disinger is president of Kruger Jewelers in Huntingburg. He will be speaking during our breakfast time together. When I phoned him last week, he was excited to hear that the society had been formed.

As you are aware, we have no treasury to work from so I have been very thrifty in planning this first meeting. We are to have a double room with tables set up for our displays. It very likely will be close quarters so if you have "stackables" to put on the table to increase your area, it would be advisable.

After breakfast, from 10:00-Noon will be set-up and society time. The public will be invited from Noon to 4:00. We should plan to be out of the room by 5:00.

What should you bring???? Anything you wish. Bring things you need help with to know if they are Uhl--bring pieces you wish to sell--and bring interesting things for display only to use in the education of others. One member I talked with recently is planning to have mementoes printed for gifts to us!

I will be sending articles to the Antique Trader and to the Huntingburg Herald to advertise. Hopefully, we'll be able to acquire some new members on the 12th. And raise enough money through a \$1. per person admission charge on non-members to be able to plan for a larger place next year.

Looking forward to seeing you all on Oct. 12. Get your reservations back to me real soon so I can go on with plans.

Sue Uhl
