Did You Know?

I started collecting Uhl with my grandmother's one gallon jug. A friend, now my husband, pointed out it was Uhl. He took me to meet the owner of the Clay City Pottery Company Jug Griffith. Once he showed me his collection, I was hooked.

Hooked enough, I joined the team and worked at the Pottery for 12 years. I made many of your commemoratives. Please don't hate me. I took great pride in my work. When you do things the old fashioned way (by hand) you are going to have imperfections.

I mainly collect primitives. Each piece has its own character. If everything was the same and perfect, life would be dull I no longer work for Clay City Pottery but that does not dampen my great love for pottery.

I miss the hard working people that keep it going today. Fritz Donella, Miller and many great people I have met through the years. I can still look at a piece of pottery and know if I made it or not.

I met Frank and Amy at the Clay City Pottery Festival. They came with lunch, flowers and their love and enthusiasm for pottery.

I was able to attend my first Uhl convention last year and was lucky enough to win the "Happy Uhling"

commemorative, an Uhl treasure I will always treasure.

Response from previous "Did You Know"

Hi Amy...see we made the newsletter...Nice...I should put an addendum to it...No blood shed to date, as neither Paula or I have found a Uhl String holder or Wren House. This will be a true test of friendship if ever we happen upon one or the other...

Sincerely...Kathy

President's Pen

Greetings,

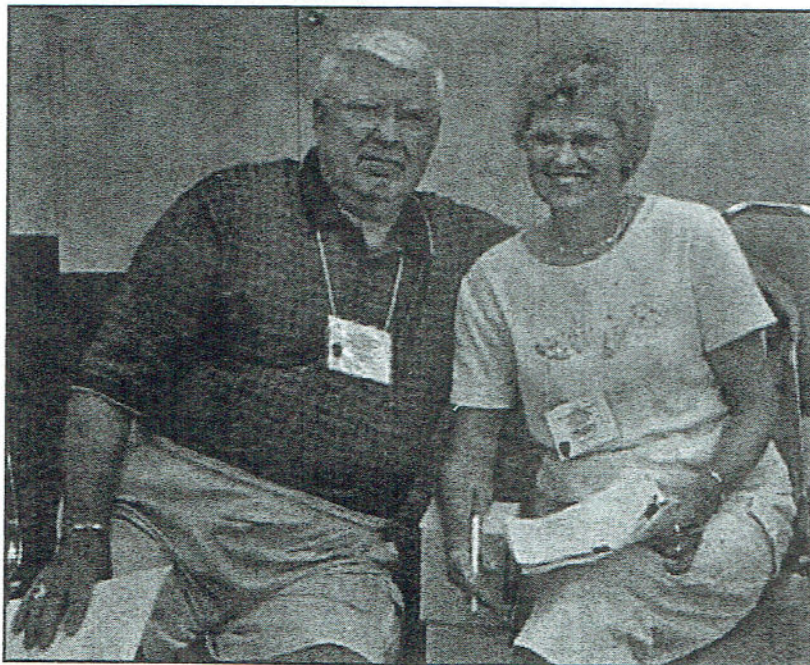

Hope everyone is doing well. The weather has just been beautiful and Spring is really here. There have been some good auctions the past few months and it looks like there are going to be some more in April, May and June.

The Board has been busy getting everything ready for the convention,. The commemoratives have turned out really good. Hope everybody likes them. Also the board has worked on several different projects and I am sure that everyone will not be disappointed. So this year is a very special convention for our 20th anniversary.

Remember to continue to try and get new members to join. It still isn't too late. Let's make this year a record for new members. I would like to thank the Board for all of their help to make this all come together. So enjoy Uhling and see you all at the 20th convention.

Have a safe trip.

Sincerely,
Jerry and Patty Schulz
President

Memorial

Our friends, John and Betty Craddock, of No. Vernon always looked forward to our Uhl outing together. John passed away February 23, 2005. He had not been able to come to convention for the last couple of years due to Parkinson's disease. They really enjoyed the convention and the weekend "away". They collected the bowls and a few other items. We will miss Uhling with John.

Downen's Stepping down

The time has come for us to hang up our writing skills which really are not very good. This is our last newsletter and for the past 24 months, I do have to say it has been a lot of fun.

Writing a newsletter really is not very hard; just takes a little time and a little imagination to put ideas on paper.

Frank and I both hope that you have enjoyed the letters we have put together for our club and do wish the next member who becomes press secretary good luck.

The position does come with the club's digital camera and computer. We have had a great time and want to thank everyone who has contributed to the club's newsletter.

Thanks. It has been fun.
The Downen's,
Frank and Amy
