2010 Uhl Collectors' Society Annual Convention Was a Great Time!!!

Thanks to all who participated

Look for friends pictures inside!!!

Uhl Collectors Society

July 2010

From The President's Desk

Presidents Plan for Oil Spill recovery.

Everyone has read about the oil leak in the Gulf of Mexico. I think that the Uhl plant should open back up and immediately begin making oil jugs again. In addition, they could produce oil lamps to burn the oil in. This would provide people with jobs, capture the oil and use it. Another possibility would be to remake the ink wells, fill them with a little oil from the Gulf and sell them as oil well souvenirs.

Les

From the Press Secretary

To say the least, a good time was had by all this year! I'll keep it short & sweet. Enjoy the pictures within these pages, from the convention & start thinking about next year!

Russ
