Celebrating 28 Years of Collecting!

Uhl Collectors Society

October • November • December 2013

From The President's Desk

Hello to all of you! The temperatures have dropped and the vivid fall colors are now surrounding us. It is hard to believe that 2013 is now on its way out and the new year is quickly approaching. I hope 2013 has been a great year for you and your family.

The Uhl Collectors Society Board of Directors have been busy with plans for your club. Our goal is to continue to enhance the membership value of the club and to continue to invite new members to join us. The membership drive will continue again in 2014. Anyone signing up three new members will receive a special commemorative at the 2014 convention. These "new" members can be anyone who has not been a member since 2012. Therefore, if you know of someone who has stepped aside from being in the club for a few years, please ask them to re-join and be part of the great association.

Another great addition will be the Uhl Collectors Society scholarship. During the August Board of Directors meeting, this scholarship was unanimously approved. At the 2014 convention, one \$500.00 scholarship will be awarded to a member of direct relative of a member. The application form will be posted to the club website in late December. You can also help contribute to this scholarship fund. On your 2014 membership application, there will be a line where you can add a direct donation to this fund if you wish. I encourage all of you to give something to this, if it is possible for you to do. Also, anyone wanting to donate a piece of Uhl Pottery to the Friday night convention auction, can also do this and the proceeds from that item will be placed in the scholarship fund. There will be no charge to sell that item in the auction. It is the hope of the Board of Directors to raise the level of the scholarship, or to possibly give more than

one scholarship on an annual basis. Your help with this is greatly appreciated!

A small change you will also notice in 2014 is that the Jasper Inn, the location of the previous Uhl Conventions, is now called the Ramada Inn. This name change will have no adverse effect on our convention. The hotel and convention center is excited about this change and expect it to enhance their property. If you are room specific, please call the Ramada Jasper to ask about the changes that may effect your stay.

In closing, I want to personally wish all of you a happy Holiday Season and I look forward to seeing all of you in the near future.
