30TH ANNUAL CONVENTION

JASPER INN
JASPER, INDIANA

1985-2015

From The President's Desk

The 2015 Uhl convention is almost here and final plans are being made for this special 30th anniversary year. It has been a great year for Uhl collectors, as I continue to hear wonderful stories of members and their "finds," as they set out in search of finding Uhl. Yes, there is still plenty of this special pottery to be found at antique stores, yard sales, auctions and even on the Internet. Good luck to you on finding yours and please share your stories with us at this year's convention.

Enclosed you will find the schedule for this year's convention. Again, this year, we will have a speaker on Friday afternoon/early evening. This year's speaker will talk about the club from the beginning, some thirty years ago and talk about the strides it has made. Following the Friday night meal will also be the scholarship award. We are excited to give away another scholarship for the second year in a row and hope this continues for years to come. Please remember that if you want to donate a piece of Uhl or two to the Friday night auction and earmark it for the Scholarship fund, it would be greatly appreciated.

As usual, the Friday night will be full of fun with the auction. Every year, all members look forward to the Friday night auction and watching all of the great pieces that are sold. Please help out the cause and

bring your item to sell. Remember, you can always buy it back if you are expecting a little more money out of it

Saturday morning will wrap up with the Annual meeting. We will have the following Board of Directors positions open: Board Member, Press Secretary and Vice President. These are very rewarding positions as you continue to meet many great people within the organization and learn more about the history of the club and the pottery. If you are interested in one of these positions, please let one of the Board members know. You do not have to live directly in the area to be a board member. We have had great luck with using conference calls during the Board meetings.

In closing, thank you for allowing Kathy and I to serve the club as President over the past two years. It has been a great experience for us. Take care and see you at the convention.
