Celebrating 35 Years of Collecting!

Uhl Collectors Society

Outstanding Historical Display coming to the 2020 Convention!

The 2020 Convention will feature a display of Historical and Rare Uhl items displayed by Nathan Posey. Many and maybe all of these are one of a kind! Don't miss this super opportunity to see Uhl Memorabilia! Here is a small preview.

From The President's Desk

Well, here we go into our 35th year and a new Millennium!

Things are rolling along for our Annual Convention June 26th & 27th. All of the current Web Site upgrades were finished in December & the New Membership Store was launched January 1st after literally several hundred hours of programming. The online Membership Store is working well and makes our Secretary's job much smoother in documenting Membership information, saving Alicia's valuable time. Along with the Printed Membership Application enclosed in this News Letter, if you would like, you can also go to the Web Site Membership page and fill out on line, a printable version that you can mail in. We highly recommend using the Membership Store to make it painless for everyone. For those Members with young ones heading off to College or Trade School, the Scholarship Application is also on the Membership Page in a downloadable, Printable file.

I am pleased to announce that there will be a really neat Historical Display of items from UHL Pottery at the Convention! In this Newsletter, our Press Secretary, Mark Coleman has inserted a few pictures of items that will be there!

The first Newsletter of the year always has a copy of the financial reports for the Club. Please find them and read. I wish to personally thank Alicia Nash for all she does for the Club and how much time it takes for her & Tony to keep us moving ahead. The first Newsletter of the year has to be mailed late in January at the earliest due to the Financial records needing to be reconciled in January before they can be Printed along with the Newsletter. I am going to discuss at the annual meeting on the 27th to see if it would be OK with the Members that the previous year's Financial Records be included in the 2nd Newsletter, just prior to the Convention, so that the January Newsletter could be mailed earlier.

Our Vice President, David Montgomery, is working on a Very Cool article for the next News Letter! I think it will be very interesting and enjoyed / appreciated by all Members. Stay Tuned!

Well on this Coldest Day of 2020 so far, I'm going to sign off and get back to work, planning and tweaking a few more surprises for the Convention. If anyone has questions for us, or maybe has something for the next Newsletter, please contact me, Mark Coleman or any of your other officers.

Humbly yours,

Russ Uhls

An Exploration of Botay Jugs.

I've always found Botay Jugs an interesting subset of Uhl collecting. These are WWII era production and sold with perfume, in Military bases. Many retain some scent of the original perfume. Some are generic with only a Military branch insignia, but others have Bases and specialized fields within the Military circa WWII. They have much cross over collector appeal to WWII collectors, family connections to Bases, perfume collectors, Uhl collectors and many more. Many of the Bases are long gone but others are still active and famous. On Ebay, they can be found with some regularity and often sell for under \$100. Occasionally higher prices prevail. Recently a jug marked "Santa Ana Army Air Base" sold for \$260!

I have jugs in 3 sizes in my collection - 3.5 inches, - 4.25 inches and - 5.25 inches. I have many of the Jugs in White and Tan (Brindle) glazes. The Tan jugs have classic looking clay while the White jugs have a whiter than normal clay. Also see page 153 of UHL Pottery (Second Addition) by Feldmeyer and Holtzman for more information.

Please share information on other versions of Botay jugs on the UHL Facebook page.

Thanks,
Mark

Uhl Pottery Collectors Society

Academic Scholarship Application

The Uhl Pottery Collectors Society is proud to offer a scholarship program. Applications from qualified candidates are reviewed by the Scholarship Committee made up of the Uhl Pottery Collectors Society Board Members. A candidate's scholarship merit will be considered based on the information provided within the application. Applicants must submit this form along with requested supported documents to the following:

Uhl Collectors Society
c/o Alicia Nash
6190 W 580 N
Otwell, IN 47564

Applications must be postmarked by April 30 of the current year. The selected recipient will be notified by person, mail or phone, and if possible, should attend the annual Uhl Pottery Collectors Society Convention to personally accept the award. If you have questions regarding the application or eligibility please contact: Russ Uhls at (201) 248-7477.

Eligibility:

- 1) Due to the overwhelming amount of extremely talented and worthy applicants and our financial inability to award a scholarship to all those who apply, we must invoke an application time frame clause. If you received a scholarship award in the past, you will be ineligible to re-apply for a period of 2 years. This was a difficult decision to make, but in fairness to those who did not receive a scholarship the previous year, we must implement this.
- 2) Although this application is open to all students, the preference will be that the student is a dependent child or grandchild of an active Uhl Pottery Collectors Society member who has paid their annual dues for the current year. This scholarship is a one (1) year scholarship. All candidates may reapply each year they are eligible.
- 3) Candidates must be a current or prior graduate from high school and be accepted or currently enrolled at an accredited university, college or trade school. If candidate is beyond the first year of higher education, he/she must have completed the previous semester with passing grades.
- 4) All required elements of the scholarship application must be delivered to the scholarship committee chairperson postmarked by April 30 of the current year.
- 5) Two (2) letters of recommendation must be included with the application, at least one of which must be from a counselor, teacher or coach.
- 6) Include an official transcript from your counselor or scholarship advisor. If your school district uses any method other than the standard 4.0 grading system, please send a letter of explanation along with the transcript. If candidate is beyond the first year of higher education, he/she must include previous semester grade transcript.

Instructions: type or print off computer and return to the Scholarship Committee before deadline.
